Halkidiki Chamber

Halkidiki Chamber was founded in 1991 in Polygyros, the capital of Halkidiki, by Presidential Decree.

Its headquarters are located in a privately owned property of 800 m², where its Administration Services are operating, as well as a Conference Hall of 170 seats, a Board Meeting Room and a PC area.

Halkidiki Chamber consists of four sectors:

**the Manufacturing Sector • the Services Sector •
the Commercial Sector • the Tourism Sector**

It is a Legal Entity of Public Law with 12.000+ active members.

It is managed by an elected 21-member Board, which in turn, elects its 7-member Administrative Committee.

It is a member of : (a) the Union of Hellenic Chambers of Commerce, (b) Hellenic Insular Chambers Development Group, (c) INSULEUR (Network of the Insular Chambers of Commerce and Industry of the European Union) and (d) ASCAME (Association of the Mediterranean Chambers of Commerce and Industry).

As member of the Board of several Organizations in the Prefecture of Halkidiki, as well as nationwide, it takes active part in decision-making processes.

Objective

Halkidiki Chamber is an Advisory and Consulting Organization of the State, aiming always to local economic development and National Economy growth. It's main objective is the protection and development of commerce, industry and all the professions, that contribute to economic development, through information, education, protection and provision of

development opportunities.

Halkidiki Chamber's operations intent to creating a business-friendly environment that leads to innovation, promotion of new technologies, implementation of new management models and everything that results to a sustainable development and growth.

Actions

The role of the Chamber as an Institution contains a number of services that are compulsory.

Though, part of its role integrates all the actions that reflect the vision and the decision-making of every Administrative Committee. Some of them are:

- Exploring and capitalizing opportunities from the National economy on behalf of its members
- Public intervention, protection, co-operation, research, data
- Consulting services for businesses and Cooperation Agreements
- Participation in local and international Exhibitions, as an Institution, through funding its members, organization of business missions & B2B networking events
- Education, seminars and conferences
- Business deals through Embassies and Consulates
- Participation in EU Programs
- Social Responsibility

**Funded by
the European Union**

EU Programmes

In the past years Halkidiki Chamber was taken part in several EU funded programmes among them:

ERIAS (European Refugees Integration Action Scheme) **BRANDING**

Mentoring (Brand building of EU Enterprises through Mentoring)
